

The Purchase Community House Supports

THE HARRISON HOLIDAY PROJECT

Sponsored by the Harrison Food Pantry

Dear Harrison Community Member,

Over the past several years, with the help of our community, The Harrison Holiday Project has collected funds for food and gifts to give to Harrison families in need. As the 2017 Holiday Season approaches, we are reaching out to you, the residents of Harrison, to help those members of our community once again this year.

The number of Harrison families in financial crisis has increased from 72 families just a few years ago to an estimated **120 families** today. Those in need comprise over **336 individuals** including the elderly, single parents, and over **85 children**, ranging in age from infant to teen. Everyone likes to feel special during the holiday season, no matter his or her age.

Several years ago, the Holiday Project was started to spread holiday cheer to needy families right here in Harrison. This initiative has become the 'feel-good' project of the year that many look forward to contributing to and being a part of. It brings this wonderful community of ours together to help our neighbors in need.

In support of the Harrison Holiday Project The Purchase Community House will be accepting toys for boys and girls from infants to teens. Please when donating; make sure that the toy is NEW and unwrapped.

This is the perfect time of year to remember just how much better it feels to give than receive. With that in mind, please help us help our neighbors feel the joy of this year's holiday season. Let's generously demonstrate why it truly is great to live in Harrison through a coming together of community - neighbor helping neighbor.

Thanks so much in advance for your support. Please know how much it is truly appreciated.

With Much Gratitude-
